ABOUT US

QUALITY, EXPERIENCE AND MODERN PRODUCTION

Folmag is a Polish brand with over **30 years of experience**, specializing in the production of self-adhesive cover caps, felt pads, and silicone bumpers of the highest quality.

For over three decades, we have consistently developed our competencies, combining precision craftsmanship with a modern approach to the needs of the furniture market.

Our products are designed with a focus on effective finishing and reliable surface protection. We offer a wide range of colors, sizes, and patterns, allowing our solutions to be perfectly matched to various materials and applications.

Thanks to our modern machine park, we maintain full control over the entire production process. This enables us to deliver both standard orders and custom projects tailored to the individual needs of our customers.

Folmag self-adhesive cover caps are a synonym for aesthetic details that complete any project. Felt pads provide effective surface protection and furniture stability, combining durability with subtle elegance.

We create solutions that are reliable, tested, and built to last.
